## Rural Residential and Industrial Land Releases

Inglewood Shire Council will shortly be releasing a number of rural residential and industrial blocks of land in two subdivisions at Inglewood.

Council's action follows the recent release of six (6) industrial blocks of land adjacent to the Inglewood Aerodrome where building works are now either underway or scheduled to commence shortly.

Expressions of Interest will close on Friday 14 December, 2007.

Mayor Joan White said today, "The pending land releases indicate a strong future growth period lies ahead for Inglewood and the surrounding district as the releases are being made because of market demand."
