## New Pool for Inglewood

Council has called tenders for a new 25 metre swimming pool at Inglewood replacing the old pool which was constructed some forty years ago and experiencing ongoing maintenance and water loss problems.

Council decided to proceed with a new pool in July, 2007 after consultant's reports indicated this would be the most cost effective method of addressing the problems being encountered.

Mayor Joan White said today, "Tenders close in mid-January, 2008 and it is anticipated Council will decide on the preferred tenderer at its January Meeting".

She continued, "Timing of the construction of the new pool is crucial, and at this stage it is planned for the site to be handed over to the successful tender at the end of March, 2008. Construction works will be carried out during the winter months in sufficient time to have the new pool up and running by September, 2008".
